Dear Customers;

We thank you for your continued support of Weaver Distributors. As all of you are probably aware, the Covid-19 is currently in the US. We are writing this to make you aware of our plans for business in serving you, our customer while protecting each of you, our employees and contractors.

We ask that you please review this letter and if you have any questions, to please feel free to contact your location manager or sales representative. The Governor and Public Health for the State of Georgia are asking that we as citizens avoid Social Contact. Please find below our plans to assist in this.

- **DELIVERIES:** If at all possible, assure that there is a place for our drivers to deliver your order and leave it where they do not have to have contact with anyone.
- **SIGNING FOR ORDERS:** Understand that at this time we are informing drivers not to hand their phone over to anyone to be signed. They will put the name of your employee and denote it was left in designated area.
- **RETURNS:** If you do have returns, please have them in the designated delivery area, with return slip already completed so that we are able to avoid social contact.
- **PAYMENTS:** If you normally pay with Cash we are asking that you please call in and pay over the phone with a credit card. ****This is for Cash paying customers only****

Thank you very much for your understanding during this time.
