

Weaver Distributors, Inc

Prices effective 1-1-11

18 months Free Replacement!

5 Year Battery

60 Series Car and Truck Batteries

- * Offered at a market driven competitive price.
- * Competitive free-replacement period under limited warranty. (To the original retail purchaser. Installation not included)
- * Terminal design that provides resistance to acid leaks, seepage, corrosion, and black post. The terminal posts stay clean and corrosion-free on the shelf.
- * Monitored with dozens of quality control checks to help provide ACDelco excellence.
- * Envelope separators that are designed to help eliminate shorting and "corrode through" to improve reliability and battery life.
- * Large reservoirs above the plates provide ample electrolyte reserve for maintenance-free performance
- * Both positive and negative grids are lead/calcium alloy to maximize corrosion resistance, increase cycle life, and reduce water consumption for better durability.
